DONATION

To Merphibosheth Training Center

In a heartfelt gesture of compassion and commitment to community development, Prime Harmony Foundation extended support to Kings Education, a school for children with disabilities located in Apam.

The Foundation made a generous donation consisting of essential supplies including toiletries, soft drinks, bags of rice, cooking oil, washing powder, exercise books, pens, and other learning materials. In addition to these items, a cash donation was also presented to support the school's operational needs and student welfare.

DONATION

To Merphibosheth Training Center

This initiative forms part of Prime Harmony Foundation's ongoing mission to empower underprivileged communities and enhance the lives of vulnerable children through education, health, and social support.

The team from Prime Harmony Foundation was warmly welcomed by the school staff and students, who expressed deep gratitude for the timely intervention. The head of the school acknowledged the positive impact such contributions make in providing a conducive learning environment and ensuring the well-being of the students.

Prime Harmony Foundation remains dedicated to creating meaningful change and looks forward to future collaborations with institutions like Merphibosheth training center that are making a difference in the lives of children with special needs.

HEALTH SCREENING @ EKUPONG

In May 2024, the Prime Harmony Foundation embarked on a humanitarian mission to Ekupong, where they organized a comprehensive health screening for the local community. This initiative was driven by the foundation's commitment to improving healthcare access for underserved populations, ensuring that residents received essential medical checkups and consultations. Trained healthcare professionals and volunteers worked together to assess common health concerns, offer basic treatments, and provide guidance on maintaining overall well-being.

HEALTH SCREENING @ EKUPONG

Beyond healthcare, the foundation also extended its support through the distribution of second-hand clothing. Over 100 residents in the village benefited from this initiative, receiving much-needed apparel to improve their daily lives. This effort not only addressed immediate material needs but also fostered a sense of care and solidarity within the community.

The Prime Harmony Foundation's visit to Ekupong was part of its broader mission to uplift and empower vulnerable communities. By combining healthcare services with material support, the foundation aimed to create a lasting impact on the lives of those it reached. Moving forward, they plan to expand their efforts, ensuring that more individuals in similar communities receive the support they need to thrive.

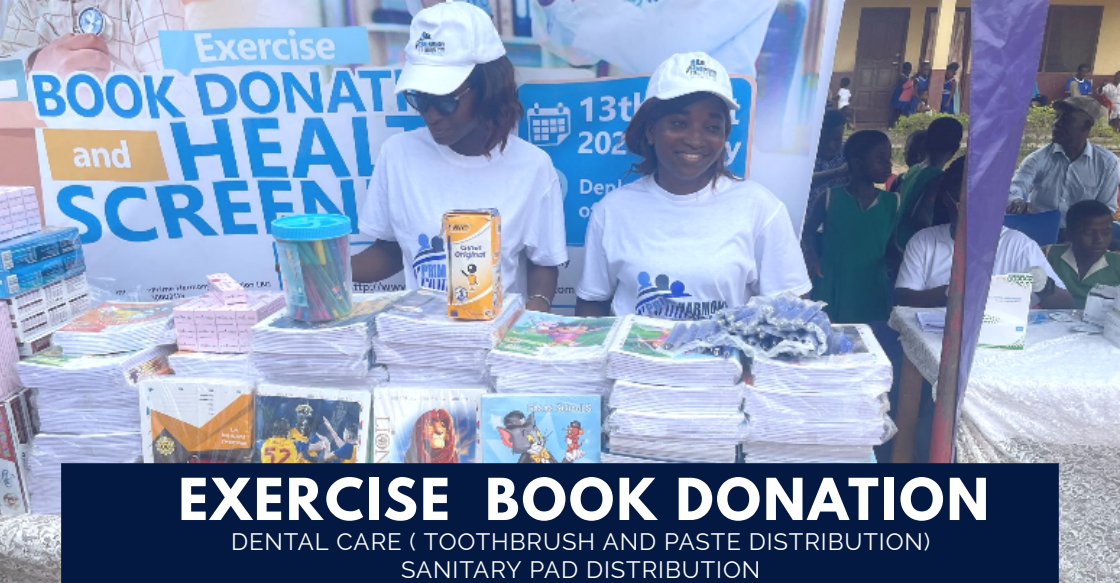

EXERCISE BOOK DONATION

DENTAL CARE (TOOTHBRUSH AND
PASTE DISTRIBUTION)
SANITARY PAD DISTRIBUTION

As part of its unwavering commitment to education, health, and community development, Prime Harmony Foundation embarked on a donation and outreach initiative that impacted four schools: Denkyira Presby Basic, Enyan Denkyira D/A Basic, Enyan Denkyira Methodist Basic School, Essiam Catholic Basic School. This effort was designed to support underprivileged students by addressing both their educational and health needs in a holistic manner.

During the outreach, the Foundation distributed close to 1,000 exercise books, pens, pencils, and other school materials. These supplies were shared among hundreds of pupils, ensuring that each student received essential tools to enhance their learning experience. For many of these children, such support lifts a significant burden off their families and encourages regular school attendance and participation.

DENTAL CARE (TOOTHBRUSH AND PASTE DISTRIBUTION)
SANITARY PAD DISTRIBUTION

In addition to educational supplies, the Foundation conducted free health screenings for over 200 pupils, offering basic check-ups and health consultations. This health drive emphasized early detection and awareness, helping to instill a culture of personal care and hygiene among the students. Alongside this, over 200 toothbrushes and tubes of toothpaste were distributed, promoting oral hygiene as a vital part of personal wellbeing.

Recognizing the unique needs of adolescent girls, Prime Harmony Foundation also distributed sanitary pads to several young women in the schools. This act not only supports menstrual hygiene but also fosters confidence and reduces absenteeism caused by a lack of sanitary resources. For many of the beneficiaries, this gesture was both timely and deeply appreciated.

The donation event was met with enthusiasm and gratitude from school authorities, students, and community members. Teachers expressed heartfelt thanks for the support, noting that the Foundation's efforts would leave a lasting impact on the academic performance and health awareness of their pupils. Prime Harmony Foundation remains dedicated to uplifting underserved communities and looks forward to continuing such transformative work in other regions.

FED 1000

CHILDREN DURING CHRISTMAS

In December 2024, Prime Harmony Foundation brought joy and warmth to the community of Enyan Denkyira in Ajumako by organizing a special Christmas feeding program for children. The event was filled with love, laughter, and a strong sense of togetherness, as over 1,000 children were treated to hot meals and refreshing drinks in celebration of the festive season.

The initiative aimed to spread the true spirit of Christmas—giving, sharing, and caring for one another—especially for children who may not otherwise experience the joy of a holiday meal. Volunteers and team members of the Foundation worked tirelessly to ensure every child was served with dignity and made to feel special and included during this meaningful occasion.

Parents and community members expressed heartfelt appreciation for the Foundation's thoughtful gesture. The event not only filled stomachs but also uplifted spirits and reminded everyone of the power of compassion and unity. Prime Harmony Foundation remains committed to creating lasting impact in communities, and this Christmas outreach stands as a shining example of love in action.

VOLUNTEERS FOR 2024

VOLUNTEERING @ EKUPONG

VOLUNTEERING @ DENKYIRA PRESBY BASIC

VOLUNTEERING @ ESSIAM CATHOLIC BASIC SCHOOL

THANK YOU!

As we reflect on 2024, we are filled with gratitude for the unwavering support and generosity shown to Prime Harmony Foundation throughout the year. Your donations have made it possible for us to touch countless lives—providing educational materials, health support, food items, hygiene products, and hope to children and families in need.

Thanks to you, we were able to reach more schools, serve more communities, and expand our mission of empowerment, care, and opportunity. Every book, pen, meal, and smile we delivered this year was made possible by your kindness.

From all of us at Prime Harmony Foundation, thank you for believing in our work. Your continued support means the world to us—and even more to the lives we serve. Here's to a new year of impact, growth, and shared purpose.
